**NOT IN THE FRICK COLLECTION**

In the issue of the Mid-Week Pictorial of April 17, in connection with reproductions of the paintings, the "Crucifixion," by Perugino, and the "Resurrection," by Sodoma, it was erroneously stated that these masterpieces were in the Frick Collection in New York. Both paintings are in Siena, Italy, the "Crucifixion" in the church of Sant' Agostino, and the "Resurrection" in the Palazzo Pubblico. The photographs from which the reproductions were made, however, were loaned to the Mid-Week Pictorial by the Frick Art Reference Library.
